Trade Opportunity Information

[1](#)7. The Ministry of Planning and Development (MPD) on behalf of Government of Mozambique and The Millennium Challenge Corporation (MCC), on behalf of the United States Government, has entered into Compact to be implemented during 5 years. The objective of the proposed program is to reduce poverty through economic growth in four provinces of Mozambique (Niassa, Cabo Delgado, Nampula and Zambezia) by focusing on certain investments in physical assets, policy reform, capacity building and institutional strengthening.

The program contains four projects: (i) the Water Supply and Sanitation Project (WSSP), (ii) the Roads Project, (iii) the Land Tenure Services Project, and (iv) the Farmer Income Support Project. Implementing entities for the various projects will include government ministries and agencies, NGOs, private companies, or

other entities.

18. This Invitation for Proposals follows the General Procurement Notice that appeared in dgMarket on July 29, 2008: UNDB Online on August 5, 2008 and Jornal Noticias on August 1, 2008. The MCA-Mocambique will select a Community Land Initiative Manager Q ITC Q (Consultancy Firm) whose objective is to establish and administer a grant fund providing the technical support required in leading and facilitating the ITC in Nampula, Zambezia and Niassa provinces. The focus will be on providing financial, technical and planning services to rural communities as a means to stimulate economic development within the provincial and district frameworks and enable the securing of land and natural resources rights.

MCA now invites Consultant Services to submit Proposals for the Program Management of ITC in Mozambique Land Component. The general objectives of the consultancy are: (i) establish and support the ITC offices and operations of Provincial Steering Committees (PSCs) in three provinces; (ii) administer and manage the ITC grant fund in the three selected provinces; (iii) mobilize and manage technical support component; (iv) increase public awareness of ITC objectives and others. A consultant will be selected under the QCBSQ method, the evaluation procedure for which is described in sections of the RFP in accordance with QMCC Program Procurement GuidelinesQ which are provided on the MCC website www.mcc.gov. The SPN and complete RFP will be placed on <http://mcc.dgmarket.com>; <http://devbusiness.com> and at <http://www.mpd.gov.mz>. Prospective Bidders should also include e-mail and full contact details to the address given on Item 6B, to receive an electronic copy of the complete RFP.
